Theology of Jihad.doc (application/msword) 296K

In the name of Allah the Merciful the Compassionate
The word agreed upon will be

The black banners

As for the subjects that I would like to discuss with you they are many so when we meet with the help of Allah I will exhaust you with my questions so do not worry
I hope that we will meet soon and that I join the ranks of the mujahidin on the way to paradise of bliss and the worst of fate for the infidels

And I will be patient until we meet

For security always delete these files *cookies and temprory files ant the history* another thing my brother on the day you use the Internet do you know how to delete the temporary files

I want to ask you

When Allah willing I join the mujahidin will there be a way to check on how the family is doing?

Is it possible that one day I see Shaykh Usamah may Allah protect him?

And when I am ready will my departure from this country that I am in be secretive and simple?

What is the Campaign of the Great Rendezvous?

And thanks for the book that you have sent and Allah willing I will read it all and Allah willing I will have no objection to anything that we undertake against the apostates and for the sake of Allah and in my heart there will be no fear of anything in life except that we teach them a lesson to be remembered throughout history

And my honorable brother Allah willing if a meeting takes place between you and me it will be a welcoming meeting for me in the ranks of the mujahidin till the end of the way conquest or martyrdom

And Allah is Most Great

And my honorable brother hopefully my meeting with you will be soon

And peace be upon you

Prayer be upon the souls of the martyrs particularly upon that of Al-Zarqawi
